

Maharaja Agrasen Medical College, Agroha

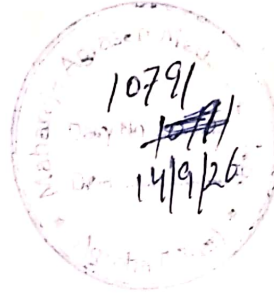

Department of Anatomy

Letter no: MAMC/26/Anatomy 7/10

Date: 12.09.26

To

The Director
MAMC Agroha

Subject: Updation of website for NBEMS Mandatory Disclosure Academic Admission and Research Information

Sir,

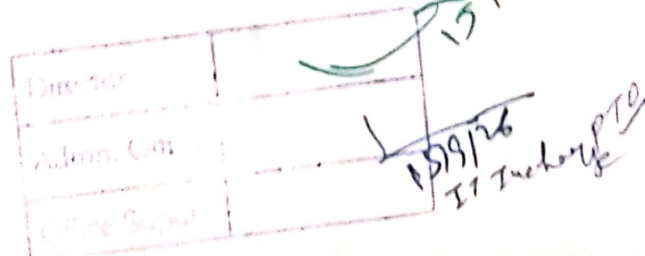

In reference to the letter no. MAMC/IT/2026/10981-87 dated 11.9.26 & refer to the subject cited above, please find below the desired information point wise:

- UG/PG/DNB/Diploma and other courses being conducted:**
 - 100 seats UG (MBBS)
 - 2 seats PG (MD Anatomy)
- Departmental academic and research activities on going since 2021 (i.e. Topic of thesis, Guide name etc.**

Name of PG Resident	Name of Guide	Topic
Dr. Shruti Chillar (2023)	Dr Monica Jain, Professor & HOD, Department of Anatomy	Morphology and morphometric study of axillary artery in North-Western population of India - a cross sectional study
Dr Preeti (2023)	Dr Lovesh Shukla, Senior Professor, Department of Anatomy	Morphology and morphometric analysis of lumbricals of hands in human cadavers in a medical college- A cross-sectional study
Dr. Nikhil Gaur (2024)	Dr Dalbir Kaur, Professor Department of Anatomy	A cross sectional study of articular surfaces of dry typical cervical vertebrae in North Indian population
Dr. Annu (2025)	Dr Monica Jain, Professor & HOD, Department of Anatomy	Morphology and morphometric study of axillary artery in North-Western population of India - a cross sectional study
Dr. Arun Kumar (2025)	Dr Dalbir Kaur, Professor Department of Anatomy	Morphology and morphometric analysis of lumbricals of hands in human cadavers in a medical college- A cross-sectional study

3. Important achievements/recent activities:

N/A

4. Publications by faculty:
