

Department of Community Medicine

1. **Postgraduate course conducted: MD Community Medicine**
2. **Departmental ongoing research activities:**

Sr. No.	Name of PG Candidate	Session	Topic of Thesis	Name of Supervisor
1.	Dr. Kapil	2024-27	Co-occurrence of cardiovascular disease risk factors and their determinants among senior secondary school-going adolescents in an urban field practice area of a tertiary care institute of Haryana	Dr. Seema Choudhary
2.	Dr. Rajesh	2024-27	Impact of health education based interventions on awareness and practices regarding dengue among school going adolescents in Agroha block of Haryana	Dr. Neelu Saluja
3.	Dr. Akshay Kumar	2025-28	Self-care practices and its determinants among adult patients with Type 2 diabetes mellitus attending community health centre Barwala, Hisar, Haryana: A cross sectional study	Dr. Seema Sharma
4.	Dr. Bharti	2025-28	Effect of lifestyle modifications on internet addiction among school-going adolescents aged 16-18 years in agroha block of district Hisar, Haryana	Dr. Sneh Kumari

3. **Completed research projects:**

Sr. No.	Name of PG Candidate	Session	Topic of Thesis	Name of Supervisor
1.	Dr. Pooja Kataria	2017-20	Knowledge and belief of mothers having children in the age group of 0-6 years regarding child sex ratio in a rural area of Haryana.	Dr. Seema Choudhary
2.	Dr. Diksha	2017-20	Assessment of nutritional status and reproductive health of school going adolescent girls in a rural block of Haryana.	Dr. Neelu Saluja
3.	Dr. Neha Dhingra	2018-21	Prevalence of anaemia and associated risk factors among pregnant females attending	Dr. Salil Dube

			primary health centre Agroha, Hisar	
4.	Dr. Pooja Sindhwani	2018-21	Risk factors associated with hypertension among patients attending outpatient department at a community health centre	Dr. Seema Sharma
5.	Dr. Ritu	2019-22	Prevalence of morbidity in government primary school children aged 6-11 years in urban area of Barwala.	Dr. Neelu Saluja
6.	Dr. Amit Kumar	2020-23	Knowledge of accredited social health activist about maternal and child services under national health mission in block Barwala, district Hisar of Haryana.	Dr. Seema Sharma
7.	Dr. Keshav Solanki	2020-23	Prevalence of depression and stress level among school going adolescents in Agroha block of Haryana.	Dr. Seema Choudhary
8.	Dr. Sunny Malhotra	2021-24	Determinants of contraceptive practices among eligible couples in an urban area of district Hisar, Haryana.	Dr. Seema Choudhary
9.	Dr. Dheeraj	2021-24	Prevalence of ocular morbidity among school students aged 6-15 years in a rural block of district Hisar, Haryana.	Dr. Neelu Saluja
10.	Dr. Roopak Saini	2022-25	Clinico-Epidemiological profile of drug resistant tuberculosis patients of district Hisar, Haryana.	Dr. Sneha Kumari
11.	Dr. Ankesh Poonia	2023-26	Prevalence of common oral health problems and their associated factors among school going children aged 12-15 years in a rural block of Haryana.	Dr. Seema Sharma
12.	Dr. Annu Yadav	2023-26	Prevalence and determinants of tobacco use among adult males in villages under primary health centre Agroha, Hisar: A cross sectional study.	Dr. Divyae Kansal

4. Achievements/ Awards/ Publications/ Research grants of faculty:

1. Dr. Seema Choudhary (Professor & Head, Community Medicine):

A) Awards:

- Dr. P.C. Sen Best Paper Award on Rural Health Practice-2003.
- Best Paper Award (Poster) in XVth Annual North Zone IAPSMCON- 2011.

B) Publications: Total Publications-41
